IX Setmana sense fum

**Per totes les persones
i, sobretot, per tu**

Restaurant

An illustration of a restaurant interior. The scene is viewed through large glass windows. Inside, several groups of people are seated at tables, engaged in conversation and dining. A prominent red circle with a diagonal slash and a cigarette icon is superimposed on the window, indicating a no-smoking policy. The restaurant has a modern, clean aesthetic with white chairs and tables. The lighting is warm and inviting.
